Knox College, Galesburg, IL
Bachelor of Science in Computer and Information Sciences | Expected Graduation: June 2028
Bachelor of Arts in Business and Management

TECHNICAL SKILLS

Programming Languages: JavaScript (Vanilla, Node.js, React, Next.js), Python, Java
Operating Systems: Windows, Linux
Database: MongoDB, MS Access
Software: Teams/Excel/Word, Zoom
Project Management: Jira

RELEVANT EXPERIENCE

Frontend Development Intern   *November 2023 - June 2024*

- During my internship at Cinfores Limited in Port Harcourt, Nigeria, I actively engaged in developing and maintaining web pages, which honed my skills in HTML, CSS, and JavaScript. I worked with both designers and backend developers to build full-stack applications.

Frontend Bootcamp   *June 2024 - August 2024*

- Furthered my frontend skills through an online bootcamp hosted by KodeHauz. The program covered React.js and Next.js, enhancing my proficiency in modern web frameworks. I also collaborated with peers on projects, as well as developing a responsive e-commerce website.
- Spearheaded a team of React developers to create a comprehensive platform for KodeCamp's extension program. The website features course listings and video lectures, providing an enriched learning experience. This project strengthened my leadership abilities and deepened my expertise in React development.

Programming Fundamentals   *2018 - 2023*

- Developed foundational programming knowledge using Scratch (2018-2019).
- Learned the BASIC programming language and its applications (2020-2023).

PROJECT EXPERIENCE

Cinfores Cooperative Society | Mobile Development   *January 2024 - March 2024*

- Co-led a team of 8 interns to develop a mobile application for managing donations, loans, and transactions for Cinfores Cooperative Society members.

Personal Web Development Projects   *June 2024*

- Built a web application using Next.js to manage tasks and set reminders, leveraging server-side APIs.
- Developed a React.js app for scheduling reminders using localStorage for persistent user data. Projects are showcased on my portfolio.

ADDITIONAL EXPERIENCE

- **Male Senior Prefect** (August 2022 - August 2023): Led a high school of 150+ students for one year, serving as the equivalent of a Senate President.
- **Other Activities:** Soccer and Ultimate Frisbee
- **Honors & Awards:** Land of Lincoln Award and Knox Provost Scholarship
- **Interests:** Learning new languages and cultures, Networking, watching science fiction movies and reading science fiction books.
